Beatrice Young Foundation

presents

HAWAII DRAGON BOAT FESTIVAL

ALONG ALA MOANA BEACH PARK ROAD

Display on driver's side front dash board

NAME: _____

Cellular: _____

1. The “PRIMARY REASON” for this issued permit is to provide overnight security for the Hawaii Dragon Boat Festival event and picnic area between the hours of 9:00 PM (Friday) to 5:00 AM (Saturday).

2. This is not a camping permit! This is a security permit. You are sponsored by the Hawaii Dragon Boat Festival because you are a permit holder, participant and very trustworthy to us. Keep on site the PARK PERMIT PASS FOR NIGHT SECURITY so that you can present to HPD if they should ask for verification.
3. If there is anyone in the area that you feel should not belong in the area, call 911 and request for a police officer. Let the dispatcher or operator know that you are assisting in providing security for the Hawaii Dragon Boat Festival at Ala Moana Beach Park and there is/are someone in the area that does not belong in the event area. You may elaborate more in detail and inform them of your location.
4. Watch all festival equipment along Ala Moana Beach sidewalk areas, the festival tent areas and your picnic site area. No one should be removing items late in Friday evening and the early wee hours of Saturday morning. Kind of suspicious if moving equipment during those hours!

5. Park your car between the bend along Ala Moana Beach Road (The Rise area) starting from the Diamond Head side of the bend and just prior to the concession stand. Do not pass the entrance of Magic Island Parking lot. If you are unsure of the parking area, call Gifford Chang at 306-4570 to avoid any problems. Refer to the “OVERNIGHT SECURITY PARKING AREA” map. (You will need to move your vehicle by 6:00 AM, Saturday to make available parking for the festival trucks bringing in equipment for set up and the event.)
6. Display the “VEHICLE” PERMIT pass on the driver side front dash board. On a separate paper, write your name legibly with your cellular number. Please have your cellular “ON and available” just in case we need to contact you. (9:00 pm Friday to 5:00 am Saturday)
7. One vehicle per parking stall and park within the markings of the parking stall.
8. Honolulu Police Department has all rights to ticket and tow the vehicle if rules are not followed. The vehicle owner is responsible for all parking tickets, towing and storage charges.

If you do not want to follow these rules, do not park overnight and do not use the PARK PERMIT PASS for Night Security. Otherwise, we appreciate your security assistance as well as your team participation.

Enclosed is a map of Ala Moana Beach Park. Please parking in the area that indicates “OVERNIGHT SECURITY PARKING AREA”

ANY QUESTIONS OR PROBLEMS, PLEASE CALL Gifford Chang at 306-4570.
