PARKING GUIDELINES TO FOLLOW ON RACE DAY

TO: All Racing Teams, its Members and Participants.

RACE TEAMS, its members and participants can park in any unmarked parking stall within the Magic Island Parking Lot that is sectioned off for event parking or park in any other open parking stall in Magic Island Parking Lot or along Ala Moana Beach Park Road.

There will be parking barricades placed along Ala Moana Beach Road. Race teams and its members shall not park in any of those barricaded parking stalls along Ala Moana Beach Park Road. If you park in those stalls, you may get a parking ticket and your vehicle maybe towed by HPD. As long as there are no barricades placed in the parking stall area, you are safe to park along Ala Moana Beach Park Road.

DRAGON BOAT FESTIVAL PARKING

You can park at Magic Island parking lot in rows 2, 3, 4 and 5. Parking is based upon availability. Enclosed is a parking pass only for your use for ONLY Magic Island permit parking stalls. You are to place this pass inside your vehicle on the driver side front dash board. If you do not have the permit placed in the vehicle, you may get a parking ticket and your vehicle may be towed by HPD.

Please Note: You will not be allowed to park along any barricaded parking stalls along the Ala Moana Beach Road. Those stalls are not for your use.

Kindly follow these guidelines as best as you can. The City & County of Honolulu has been a tremendous help in allowing us the opportunity to experiment this parking idea for Race Teams who attempt to arrive early for the event. When you see the Mayor and City Council please thank them.

Your cooperation is greatly appreciated.
