ONLY ONE (1) DAY OF RACING.....

www.dragonboathawaii.com

JULY 28, 2018

We will only have one (1) day of racing. We will attempt to squeeze all divisional races and industry races into one day.

For New Participants – We encourage you to get involved !!!

For teams who have never entered a Dragon Boat race, all you need is a wild “gung ho” crew of 18 paddlers that are willing to picnic with friends, families and their children at Ala Moana Beach Park (closer to the Magic Island area). We supply the boat, paddles, personal floatation devices (pfd) and the steersmen with approximately two (2) practice sessions per team. If you win your race heat, you advance to the next bracket.

GOVERNMENT TEAM PARTICIPANTS, including all military and armed forces

All Federal, State, City and County teams are free (No Charge). All levels of government may enter more than one team. There will no charge for additional teams. Although your team entries are free (meaning no charge) you will still need to provide 4 volunteers to assist the dragon boat committee for 2 hours. Please contact Denton Chun to select your volunteer time slots. Each team must provide volunteers.

INTERNATIONAL RACE TEAMS, CONTINENTAL USA TEAMS AND OUTER ISLAND TEAMS

If your team is travelling from an international country, from the continental USA or from any one of our outer islands, your team entry fee will be paid for by one of our sponsors (meaning no charge). However your sweep(s) will need to assist throughout the day and you will need to provide 2 volunteers to assist the dragon boat committee for 2 hours. You may enter more than one team and there will be no charge for additional teams. Please complete the Team Volunteer form to select your volunteer time slots. Each team must provide volunteers.
